October 2009

Join San Antonio's "Destination District" and discover why Northside ISD is a magnet for families, students, and educators.

Northside ISD's growth is a testament to the quality of its schools and its supportive work environment. Hundreds of teachers are hired each year to keep pace with an enrollment – now at 91,500 – that is growing by 3,000 students annually.

This dynamic District is the fourth largest school system in Texas and was a finalist for the 2007 Broad Prize, the "Nobel Prize of public education."

Opportunities await for speech-language pathologists who have experience with autism, hearing impairment, assistive technology, mental retardation, fluency disorders, bilingual therapy and early childhood education.

Northside ISD offers:

- Competitive salary and excellent group health benefits, including free health club membership
- Yearly stipend based on credentials
- Signing stipend
- Participation in Texas Retirement System
- Credit for in-field years of experience
- Clinical fellowship year (CFY) supervision with full pay and stipend
- Specialized teams for assistive technology and preschool assessment
- Collaborative programming with occupational therapists, physical therapists, psychologists, teachers, and other related staff

- Part-time, after-school, and summer job opportunities
- Continuing education opportunities
- Employee discounts at local businesses
- Preschool daycare program for children of employees

For more information on the Speech-Language Program, contact:

Patty Brannon, CCC-SLP
Program Coordinator
Northside Student Services
5651 Grissom Road
